

Rhode Island Turnpike and Bridge Authority Foundation

C/O RITBA Administrative Offices, P.O. Box 437 | Jamestown, Rhode Island 02835-0437

Community Partner Grant Application

The Rhode Island Turnpike and Bridge Authority Foundation has provided support to dozens of nonprofit organizations throughout Rhode Island through the funds raised by the annual Pell Bridge Run and the 4 Bridges Ride events. Each year, approximately 20 partner organizations are identified to receive foundation support.

The charities that are identified before the event are strongly encouraged to work closely with organizers to identify any volunteers from their organization who are able to assist during the event. These nonprofit partners are encouraged to promote the event, their participation and to encourage online fundraising through the event website and social media.

The Rhode Island Turnpike and Bridge Authority Foundation has raised hundreds of thousands of dollars for our partner charities.

If your organization would like to be considered for this year's fundraising opportunities please submit this application electronically to ritbafoundation@ritba.org or by mail to the address above. The deadline for submission is June 1, 2017. All charity partners will be notified of their status on or before August 1, 2017.

Organization Name: _____

Primary Point of Contact: _____

Contact Information (Address,Phone,Email,Facebook,Twitter): _____

501(c)(3)code (If not applicable, please explain): _____
