Dunbar Armored, Inc. Pricing Proposal

Dunbar Pricing Proposal:

Dunbar will apply a fee of $15.00 per trip for the additional drop-off to the Bank of America depository.

Dunbar’s Standard Fuel Matrix will be used to calculate a fuel surcharge. Please see the attached matrix for surcharge percentages.

Dunbar has planned this work at an average of 8 minutes premise time and 5 items per pickup. Currently the RITBA abides by these requirements. We expect the RITBA will continue to work with us at achieving these rates.

Dunbar will apply a fee of $24.00 for the replacement of the Red Book (receipt book) and $15.00 for replacement DTrack Cards.

The ITB states, “This contract will cover two (2) years with an optional one (1) year extension.”

The monthly rates provided will be fixed for the first two (2) years of the contract. If the RITBA chooses to continue service with Dunbar for an additional option year, there will be no rate increase for the third year (optional one (1) year extension); rates will be fixed for all three (3) years.

Dunbar Check Reconstruction: Dunbar’s pricing assumes checks are covered for reconstruction purposes only. That is the agency will co-operate to the best of its ability to identify the maker and amount of each check in the event it is lost or stolen and to obtain a replacement check.

Dunbar’s liability in the event of loss or damage to checks and/or cash letters shall be limited to all reasonable costs incurred by the Customer in reconstructing and obtaining replacement checks. Dunbar shall reimburse Customer for all labor expense, postage, telephone calls, stop payment fees, and any other reasonable costs directly related to reconstruction and obtaining replacement checks. Dunbar’s liability shall not exceed the amount of five thousand dollars ($5,000) face value per location. Everything else is covered for reconstruction only.

Dunbar Service Clarification: Due to the nature of our business armored car routes are subject to change for a variety of reasons including but not limited to traffic and weather conditions as well as road and security issues.

Service is not available on New Year’s Day, Thanksgiving and Christmas.

DUNBAR INSURANCE COVERAGE

There is no better insurance than the armored car “All Risk” coverage, known as transit and storage insurance, which Dunbar Armored offers. There are no exceptions, no warranties and no conditions, except the standard war and nuclear exclusion. “All Risk” armored car cargo liability will cover currency, coin, checks and other valuables against all risks of physical loss of or damage to the insured property up to your stated liability limits. Checks are subject to reconstruction.

Our armored car “All Risk” insurance will provide for the safety of all funds in our possession. The current policy limit is $600,000,000.00 per occurrence, (through American Insurance Company and Lloyds of London). This policy also provides aggregate maximum loss coverage for employee fidelity coverage as extra assurance of performance. This Insurance is included in our transit and storage policy. A certificate will be issued should we be awarded a contract. The certificate will show liability limits consistent with your specifications.

GENERAL INSURANCE COVERAGE

Dunbar Armored carries public liability coverage for property damage and bodily injury in the amount of $1,000,000 for each person and $1,000,000 for each accident, to protect our servants and agents performing work or furnishing services covered by this contract from all claims for personal injury, including loss of life, as well as from all claims for property damage which may arise from operations under this contract, whether caused by us or by anyone directly or indirectly employed by or acting for us. In addition, we have an umbrella policy covering excess liability up to $50,000,000. A certificate of this coverage will be furnished upon contract award.

AUTOMOBILE LIABILITY

Our automobile liability policy provides bodily injury and property damage combined single limits in the amount of $2,000,000 for each accident.

WORKER’S COMPENSATION

Our Worker’s Compensation coverage will be provided with statutory minimum limits.

We believe our insurance package provides what you need. We have designed it for your protection. Dunbar does not believe in a ‘least amount’ approach, and we have structured the “All Risk” coverage amounts to provide adequate protection based upon the potential volume of activity.

Required Posting

Effective Oct. 13, 2004, Section 4123.54 of the Ohio Revised Code requires notice of rebuttable presumption. Rebuttable presumption means an employee may dispute or prove untrue the presumption (or belief) that alcohol or a controlled substance not prescribed by the employee's physician is the proximate cause (main reason) of the work-related injury.

The burden of proof is on the employee to prove the presence of alcohol or a controlled substance was not the proximate cause of the work-related injury. An employee who tests positive or refuses to submit to chemical testing may be disqualified for compensation and benefits under the Workers' Compensation Act.
