## Contract 18-2

### Sakonnet River Bridge Parapet Rehabilitation

This project consists of performing repairs to the concrete parapets on the Sakonnet River Bridge and approach structures. The work consists mainly of applying a protective sealer to the concrete parapets. The work also includes concrete spall repair, concrete crack repair, and surface preparation prior to applying the sealer on the bridges concrete parapets. Steelwork consists of minor repairs to the steel railing on top of the concrete parapet and replacement of navigation lighting support struts. Traffic control is also required.

Plans and specifications will be made available on January 26, 2018. They will be sent out in electronic format and can be purchased from the office of the Authority on payment of a non-refundable fee of one hundred dollars (\$100) by cash or money order payable to the Rhode Island Turnpike and Bridge Authority. Credit card payments may also be made. All Bidders must obtain Contract Documents directly from the Authority and Contract Documents are not transferrable.

To arrange for payment of the non-refundable fee please contact Marianne Durgin at [mdurgin@RITBA.org](mailto:mdurgin@RITBA.org) or at 401-423-0800.

There will be a pre-bid meeting on February 2, 2018 at 10:00 AM at the Authority's office in Jamestown, 1 East Shore Road, Jamestown, RI 02835.

Receive proposals by 4:00 PM on February 23, 2018
