NPB Roadway Deck Rehabilitation Project

- For the period from Late August 2020 through December 2020 there will be work taking place 24 hours a day with a Permanent Lane Closure in the Eastbound (heading from Jamestown to Newport) Passing Lane between spans 2E to 22E. During the first 2 weeks of August 2020, there will be a transition from the prior phase of the project in the Westbound Travel lane to the Eastbound Passing Lane and traffic patterns may vary. Upon completion of the transition, lanes of travel Eastbound and Westbound may alternate to allow 2 lanes into Newport during morning rush hour (6am to 9am) and 2 lanes out of Newport during afternoon rush hour (3pm to 6pm). At all other times the contractor may utilize one other lane which would leave one lane of traffic open in each direction. Modifications may be made due to weather and traffic conditions.
