

Rhode Island Turnpike and Bridge Foundation

C/O RITBA Administrative Offices, P.O. Box 437 | Jamestown, Rhode Island 02835-0437

Community Partner Grant Application

Date: _____

The Rhode Island Turnpike and Bridge Foundation has provided support to dozens of nonprofit organizations throughout Rhode Island through the funds raised by the annual Citizens Pell Bridge Run. Each year, approximately 30 partner organizations are identified to receive foundation support.

The charities that are identified before the event are strongly encouraged to work closely with organizers to identify any volunteers from their organization who can assist during the event. These nonprofit partners are encouraged to promote the event, their participation, and to encourage online fundraising through the event website and social media. The Foundation will require a report of how the funds were utilized within a year of their disbursement.

The Rhode Island Turnpike and Bridge Foundation has raised hundreds of thousands of dollars for our partner charities.

If your organization would like to be considered for this year's fundraising opportunities, please submit this application, your most recent Financial Statement, and W-9 Form, electronically to ritbfoundation@ritba.org or by mail to the address above. The deadline for submission is June 1, 2022. All charity partners will be notified of their status on or before August 1, 2022.

Organization Name: _____

Primary Point of Contact: _____

Contact Information (Address,Phone,Email,Facebook,Twitter): _____

501(c)(3) code (If not applicable, please explain): _____
